The Robin Morrison Band - One Vision is the culmination of one man's dream. A dream to share his love of rock, country, and blues music with a group of like-minded individuals who combined together will bring this diverse and dynamic mix of rhythm and melody to the world. If you like to listen to laid back grooves - sit down and relax or get up and dance - either way we hope you enjoy the view.

Robin Morrison is a veteran of numerous rock and country bands as a drummer, guitarist, and singer. This familiarity with many aspects of musicality has inspired Robin to finally step out front into the limelight and showcase his various talents.

Rick Gunn is an accomplished guitarist. Intimate with many styles of music, Rick's taste and finesse in his articulate and soulful lead and rhythm is nothing short of astounding, incredible, miraculous, . . . (need I go on).

Ray Sweezy is an experienced saxophonist, bass player, and vocalist. Always a perennial favorite at countless jazz festivals across the continent, Ray has landed long enough to bless us with his eloquent and expressive tones.

Randy Petlock is another seasoned virtuoso. He brings an eclectic blend of classical expertise and honky-tonk frivolity to infuse the band with his versatility, scintillating sounds, and unique approach to music. When Randy plays it sounds like angels dancing across the keys.

Don Popert is an incredible percussionist. A consummate perfectionist, his flair and feel add the subtlety, nuance, and dynamics of a drummer charged with seething passion, powerful emotion, and impeccable precision.

Karl Rigelhof dwells at the lowest levels of the music chain, and provides the basic bottom end back beat to drive the music to places it has never gone before.
